Proposal for Baronial Muster to be voted on
Fee depends on number of people that attend. Event is unlikely to lose money.
Voting passed to approve bid.

Constance and Avelyn

Fighter tabards for barony - estimate of \$350. Eight small and twenty one big. No vote held - ask that estimate to be submitted formally. Hoping that tabards to be ready for next war season.

Duncan

Baronial war shields were made 30yrs ago. Ceremonial, not fighting caliber. Is there interest in doing this again? Baron and Baroness will revisit in a year to determine baronial regalia needs.

Eluned

Will be putting out a call for bids for Border Spat. Caldritchig unlikely to submit. Would most likely be Harrowgate to helm event.

Side Conversation:

Possible that we combine QPT and Hare (October 15th). Looking to avoid date conflict. Adrielle was messaged.

Discussion of possible sites that could hold both events.

Nathaniel

Badges have gone to Kingdom. \$28 dollars to pay for submissions. Cheque needs to be issued by Barony.

Voting passed

Names have not gone up. Will be \$21. To be submitted in about a month. Voting to approve expense ahead of time.

Voting passed

Vote to keep Rozalynd as deputy Seneschal. Voting passed.

Around the room

Emelote - needs quarterly reports from cantons

Avelyn - technical problems with BC yahoo group. All emails are getting spam tagged. Each message has to be individually approved. Will be troubleshooting.
