Brief meeting chaired by Gina

Briefly introduced ourselves around the table.

Noted that the Baronial Herald term ends February 2020. **Action:** Seneschal will need to send notice to the populous for this post as well as Clerk Register.

Action: Minutes for September to be distributed.

Action: Elsebeth is interim web-minister. Asked to check the mail forwards & update web Baronial officer page.

Noted that email dodo does not like email forwards. This could cause problems for the web minister.

The Barony is hosting **String Thing** event, which is coming up in a few short weeks.

Action: Lady Marguerite Gingraix and Master Giovanni de Enzinas will need to create and both sign a letter of instruction for the bank on official letterhead so the new seneschal & exchequer can take over the banking business for the barony. It is recommended that Xristina stay on the bank signature list as a long-standing member. We should keep the Kingdom exchequer Lady Jane Caldwell also on the account.

Reminder that Break the Back of Winter event is coming up on March 7, 2020. TRM will try to attend; TRH area planning on attending and there will be an A&S competition to select Baronial A&S champion.
